# THE GLOVE THAT STARTED IT ALL

In 1991 The Original® Glove was born. The brainchild of a legendary race mechanic that sparked a revolution for working hands. First championed by mechanics and pit crews in the 1991 Daytona 500, The Original® continues to define the high performance work glove category.

# MARKETS

Mechanix Wear's roots in motorsports have grown into industries where skilled hands go to work every day. We believe every toolbox is a signature, a testament to skilled hands. With each new market, there's a toolbox ready to adopt Mechanix Wear.

**WHAT'S IN YOUR TOOLBOX?**

# EXPOSURE

It takes a team to get to the starting line every week. Mechanix Wear partners are champions of their industries. We reach more than just race fans. We reach hardworking hands through television, radio, publications, social media and motorsports events around the world. When it comes to exposure, we work hard to align with the passions of our growing community.

# EVERYONE WITH A TOOLBOX IS A GLOVE CUSTOMER

When it comes to your tools it's all about trust. Mechanix Wear's commitment to hand protection has earned the trust of millions of hardworking hands around the world. It's our commitment to anatomical design, industry leading material technology and rigorous testing standards. A commitment to looking beyond conventional ideas with the drive to innovate the most advanced tools for working hands.

# MANY GLOVES, EVEN MORE USES

Since the debut of The Original® glove, Mechanix Wear has built a reputation as the leader in high performance hand protection. Each glove has its own story and unique way of delivering superior fit, feel, and functionality to working hands. Our mission is to look beyond conventional ideas and innovate the most advanced hand protection in the world. **The Tool That Fits Like A Glove®**

# WHY

## MECHANIX GLOVES WORK

### INNOVATION

Mechanix Wear is defined by hard work and bold thinking through innovative design, industry leading material technology, and superior build quality. We invest in new technology and manufacturing processes to produce the most advanced gloves for working hands. From concept to finished product, you can count on Mechanix Wear innovation to Work Faster, Work Safer, and Work Cleaner.

### QUALITY

We've assembled a supply chain that works as hard as our customers. Therefore, we go to extremes to supervise the manufacturing and material quality of our gloves. Mechanix Wear quality control specialists actively inspect the fit, feel and functionality of our gloves before they ship to you.

### EXPERIENCE

Over 25 years in professional racing has led to the development of advanced materials and proprietary design features only found in Mechanix Wear hand protection. We work hand-in-hand with safety professionals in hazardous industries to develop specialized hand protection for the constantly evolving workplace.

### BRAND RECOGNITION

Mechanix Wear reaches millions of hard working hands through television, print, radio, social media and racing events around the world. The undisputed #1 glove in racing is used by NHRA, Supercross, Motocross, IndyCar, V8 Supercars and all 40 NASCAR teams. Your customers will ask for us by name, Mechanix Wear® Gloves. **The Tool That Fits Like a Glove®**
